

## Questions and Answers: Michigan's Presidential Primary

From the State of Michigan's Bureau of Elections

**Q. Do I have to be a registered Republican or Democrat to participate in Michigan's Presidential Primary?**

A. No. Michigan's Presidential Primary has been designated a closed primary. There is no political party registration requirement in Michigan Election Law. Any Michigan registered voter can participate in the primary. By law, you must make your ballot selection in writing by completing the Application to Vote/Ballot Selection Form on Election Day; or on the Absent Voter Ballot Application form if voting absentee.

**Q. Why do I have to select a party ballot?**

A. Michigan Election Law (MCL 168.615c) guides the conduct of the Presidential Primary. The law requires that voters indicate in **writing** which political party ballot he or she wishes to vote. This requirement only applies to Presidential Primary elections, and

voters will **not** be required to select a political party ballot type at other types of elections.

**Q. Didn't the legislature just eliminate straight-ticket voting?**

A. Yes, the legislature did eliminate straight-ticket voting. But straight-ticket voting was only an option in November General elections. A closed Presidential Primary is a very different process. You are required by law to select a Republican or Democratic party ballot to participate in the Presidential Primary.

**Q. What is the difference between an Open Primary and a Closed Primary?**

A. Voters in an open primary are given a ballot with a column listing each qualified party's candidates. Voters then decide which party primary they wish to participate in by voting only in the column of their party choice while in the privacy of the voting station. Voting for candidates in more than a single party's column will void the entire partisan ballot. Voters in closed primaries must state the party primary they wish to participate in before being issued a ballot. The ballot given to voters only has candidates of the party that corresponds to the voter's choice.

## **Q. What is the Lake Michigan Interleague?**

A. This Inter-League organization is made up of 48 local Leagues within the Lake Michigan watershed and regional planning areas. In addition, the four state Leagues of Illinois, Indiana, Michigan and Wisconsin pay dues, entitling all of their individual Leagues to receive information and to take part in LWVLMR events. Each state League also appoints two delegates and two alternates to serve on the LWVLMR Board that meets quarterly.
